

Internship Checklist IMSEIT Program

- This checklist is designed to help you navigate through the Internship process
- Check our website on the specific information, rules and deadlines
- Missing relevant information and deadlines may endanger your BPP
- **If you do not adhere to the process, rules or deadlines, the internship must be repeated**

	Preparation for the Internship:
	☐ Attend mandatory information meeting on internship
	☐ Check if you fulfil the pre-requisites for admission: https://mse.h-da.de/enrolled/internship-master-thesis-final-certificate ☐ Check special examination regulations: https://mse.h-da.de/fileadmin/EIT/Dokumente/Elektrotechnik_MSE/Study/Regulations/2019_PO/FBEIT_BBPO_MSEIT_M_Int_2019_EN.pdf
   	Application of the Internship ☐ Find an industrial company for internship ☐ If required by the company, request the mandatory internship certificate: https://form.jotform.com/240441310923040 ☐ Find an academic supervisor ☐ Fill-in our BPP form sheet and get a signature from your academic supervisor: https://mse.h-da.de/fileadmin/EIT/Dokumente/Elektrotechnik_MSE/Study/Forms/BPS/Formular_BPP_Anmeldung_MSE_ausfuellbar.pdf ☐ Submit the BPP form sheet to the Examination Office in order to get registered: https://frag-eit.de/ ☐ Get ok or information about missing prerequisites from the examination office ☐ The BPP form sheet will be returned to you via email
	Acknowledgement of the Internship ☐ Fill-in the last part of your BPP form sheet and get the signature of your supervisor ☐ Submit a certificate of your company to your academic supervisor ☐ Your academic supervisor will acknowledge your successful execution of the BPP internship and will forward the document to the Examination Office to complete the process.
